

Kyran's Hot Stuff

Words of Wisdom:

Don't mistake your bottle of orange juice this summer for a bottle of water, when you pour it over yourself – you might find you're a little bit sticky!

Confuzzling Confuser:

What was the universe like before it was created, and how could there be something before that was created - and something would have had to create that?

What's Hot: **The Weather!**

What's not: **Sunburn, OUCH!**
